Wed only

8:50am - 3:20pm

Dear School Family,

It's hard to believe that SPRING is nearly here! On Sunday, March 10th we will have to change our clocks and SPRING forward an hour. This is the day before our 3rd grade students take the IREAD-3 assessment. On Saturday, March 16th we will begin our 2 weeks of spring break. When we return, we will have just 2 and a half months left of school. We have so much to learn in such a short time. Please help us by ensuring your child is reading at least 20 minutes every night, check Infinite Campus for up to date grades, and contact your child's teacher about his or her progress.

As we continuously look for ways to better our school filled with students and staff with diverse needs, we ask our community for help. If you have a unique talent, perspective, or experience to share...If you are a professional that would like to share your path to your profession or you would like to mentor our youth, please contact the school. We need you! Beginning soon, Franklin Central High School students will be coming over on Fridays to mentor students in our Blg Flashes, Little Patriots program. Please keep an eye out for more information. If you think your child would benefit from having a high school buddy visit a minimum of twice a month, please contact your child's teacher.

Please be safe this Spring Break and take some time to really enjoy your family.

Melissa Morris, Principal

## Book Review: Bunnacula Written By: Devyn

I think that this book is a great book it has so many details that makes it so you can imagine what is happening in the story. In the beginning Pete and Toby come home from a vampire movie, they got a box that had a bundle of fur, Pete and Toby were yelling about what they are going to name the bundle..

Read the book to find out what happens with Chester and Harold, with their silly imagination.
