Dear School Family,

Welcome back from Spring Break! I am excited to share with you next year we will have an Assistant Principal! Jess Johnson will be joining us from Adams Elementary! Not only is she an educator in Franklin Township, she also resides in FT, and she is an FT parent. Please take a moment to read her "Welcome" note below..

Beginning April 22nd, our 3rd, 4th, and 5th graders will be starting ILEARN. This Standardized State Assessment will be taken on the computer this year. We will again, post ILEARN information for parents who like to read about the assessment on the Indiana Department of Education Website on our Facebook Page. We have been working hard on meeting and exceeding Indiana's State Standards that will be assessed through ILEARN. Please make sure your child gets plenty of rest and eats a healthy breakfast. We want to DE-STRESS the TEST. The media hypes up these assessments which can often create anxiety for students, parents, and teachers. Our goal is to DE-STRESS the TEST. So if you notice that your child seems really anxious, please contact the school so your child's teacher and/or our counselor, Mrs. Eck can follow up.

We are down to our last crucial 8 weeks. Please continue to read nightly. Make sure you are accessing your child's grades on Infinite Campus and asking questions about how to best support your child. You are your child's greatest advocate and first teacher. With our team effort, the possibilities are endless.

Melissa Morris,
Proud Principal

A NOTE FROM OUR NEW ASSISTANT PRINCIPAL!!

I cannot begin to express how grateful and excited I am to be joining the Arlington family next year! I want to share a little bit about myself and look forward to getting to know all of you! I currently am the Instructional Coach at Adams Elementary and Bunker Hill. I have three beautiful boys-Graham (6 next month), Reece (4 this month) and Blaine (9 months old). My husband also works here in the district and we love to spend time outside as a family. I have been in the township since 2007-I started in third grade at Adams, then moved to Thompson Crossing for 7 years-teaching second grade and Kindergarten. I then returned to Adams as the Instructional Coach before splitting with Bunker Hill last year. It's a great year to be a Purdue Alum-Boiler Up!!! Along with being a Boilermaker, I look forward to being a Patriot with all of you. I hope everyone enjoyed some well deserved relaxation over break and have an amazing end to the school year!

Even though my grandchildren do not go to Arlington Elementary, I still have them do an artwork and every year I order a quilt square with their artwork on it. My idea is that when each one graduates high school, I will give them their very own quilt!

Earth Day is a day celebrated on March 22nd it is a day to demonstrate help for the environment. We celebrate Earth Day to be aware of the things we need to take care of in our world we can help by recycling using old food scraps to make a compost or start a small garden.

These are only a few ways to help our planet you should try it on April 22nd.
